Professional preparation

University of Costa Rica	Postdoctoral Research Associate	2018
Cornell University	Postdoctoral Research Associate	2016
New Mexico State University	Ph.D. in Biology	2015
Biology Department	Emphasis: Behavioral and Evolutionary Biology	
	Dissertation:	
	Intra-sexual selection and signaling behavior in the long-billed hermit (<i>Honorable mention</i>)	
	Committee:	
	Timothy Wright (advisor), Karen Mabry, William Boecklen	
University of Costa Rica	Licenciate in Zoology	2010
Biology Department	Dissertation:	
	Microgeographic song variation in the nightingale wren (<i>Honorable mention</i>)	
University of Costa Rica	Minor in Teaching of Music	2008
Music Department		
University of Costa Rica	Bachelor of Science	2005
Biology Department	Emphasis: Biology	

Teaching

Fundaments of Statistical Learning	Master Program in Cognitive Sciences,	Invierno 2024
Profesor	University of Costa Rica (course website)	
Bioacoustic Data Analysis in R	PR Statistics, (course website)	Fall 2024
Lecturer		
Introduction to Biology	For non-biology majors, Biology School, University of Costa Rica	Spring 2024
Lecturer		

Analysis of animal acoustic signals in R Coordinator, Graduate Level	BOKU International Wildlife Lectures, University of Natural Resources and Life Sciences, Vienna, Austria (course website)	Spring 2022
Open Science and Reproducible Research Coordinator, Graduate Level	Biology Department, University of Costa Rica	Fall 2020
Bioinformatics in R Coordinator, Graduate Level	Medical School, University of Costa Rica	Fall 2020
Bioacoustic Analysis in R Coordinator, Online, Graduate Level	Organization for Tropical Studies (course website)	Springs 2020-present
Advance R Programming for Biological Sciences Coordinator, Graduate Level	Cornell University (course website)	Spring 2018
Programming and Advance Statistical Methods in R Coordinator, Graduate and Undergraduate Level	Biology Department, University of Costa Rica (course website)	2019-2021
Phylogenetic Comparative Methods Graduate and Undergraduate Level	Biology Department, University of Costa Rica (course website)	Spring 2016
Zoology Laboratory Teaching Assistant, Undergraduate Level	New Mexico State University	2011-2014
Human Biology Laboratory Teaching Assistant, Undergraduate Level	Biology Department, University of Costa Rica	2010-2011
General Ecology Lecturer, Undergraduate Level	Latin University of Costa Rica	2010
Field Biology Teaching Assistant, Undergraduate Level	Biology Department, University of Costa Rica	Spring 2010
Bioacoustics Teaching Assistant, Undergraduate Level	Biology Department, University of Costa Rica	Fall 2009

Mentoring

Tutor	icentiate Program in Science, University of Costa Rica (Jimena Viquez)	2024
Advisor	MasterProgram in Biology, University of Costa Rica (Marcos Quiroz)	2021
Advisor	Licentiate Program in Science, University of Costa Rica (Fabiola Chirino)	2021
Committee Member	Master Program in Science, University of Costa Rica (Andrea Arriaga)	2021
Committee Member	Licentiate Program in Science, University of Costa Rica (Hector Andres Hernandez)	2020
Committee Member	Master Program in Science, Instituto de Ecología, A.C. Xalapa, Mexico (Paula Iturralde)	2020
Intern Mentor	Training in Analysis of Acoustic Signals in R. Cornell Lab of Ornithology. (Marco Ortiz, PhD candidate, UNAM)	2017
REU Mentor	La Selva Biological Station. Costa Rica. Coordinator: Dr. C. Ganong	2019 2015-2016
External Supervisor	El Colegio de la Frontera Sur (ECOSUR), Mexico. Master Student (Xochitl Sanloz)	2016-present
	University of Utrecht, the Netherlands Master Student Research Experience (Judith Smit)	2017
Field Work Training	14 undergraduates trained in field work and data analysis for behavioral ecology research. At least 4 of these students have started graduate studies (UC Davis, Universidad de Costa Rica (2), Universidad Autónoma de Campeche (Mexico)).	2010-2015

Professional service

Comittee Member	International Bioacoustics Conference Executive Committee	2023-present
Invited Participant	Interdisciplinary multi-species bioacoustics workshop. Heidelberg Academy of Sciences, Heidelberg, Germany	2019
Instructor	Statistics Workshop, Organization for Tropical Studies (course website) Bioacoustic Analysis in R, Organization for Tropical Studies, (course website) Workshop on Bioacoustic Approaches in Ecology and Animal Behavior. National Autonomous University of Mexico (UNAM), Mexico City, Mexico	2020-2022 2019
	Workshop on Bioacoustic Analysis in R. University of Gdańsk, Gdańsk, Poland Workshop on Bioacoustic Analysis in R. Universidad Nacional de San Agustín, Arequipa Peru Workshop on Bioacoustic Analysis in R. American Ornithological Society meeting. Arizona, US Workshop on Bioacoustic Analysis in R. National Autonomous University of Nicaragua, Managua, Nicaragua Workshop on Bioacoustic Analysis in R. International Bioacoustics Congress, Murnau, Germany	2016 2015 2015
	Workshop on Bioacoustic Analysis in R. National University. OTS Station, Palo Verde, Costa Rica Bioacoustics Workshop. II & III Costa Rican Conference of Ornithology. Costa Rican Ornithologist Union. San José, Costa Rica Ornithology Workshop. Costa Rican Association of Ornithology (AOCR).	2010 2012 2009
Invited Professor	Neotropical Ornithology. Neurobiology and Behavior, Cornell University, Punta Cana, Dominican Republic . Coordinator: Dr André Dhondt Undergraduate Abroad Experience Program (CHANCE), Penn State University. La Selva Biological Station, Costa Rica . Coordinator: Dr. J. McLaughlin Tropical Ecology and Conservation Course. Graduate Program, Organization for Tropical Studies. Costa Rica . Coordinators: Dr. E. Arévalo and Dr. I. Escalante.	2018 2014-2017 2014-2017 2019-2025
Assistant instructor	Phylogenetic Approaches to the Study of Acoustic Signals. International Bioacoustics Congress, Pirenópolis, Brazil	2013
Reviewer	<i>Evolution, American Naturalist, Behavioral Ecology and Sociobiology Animal Behaviour, Methods in Ecology and Evolution, Journal of Experimental Biology, Bioscience, Plos One, Revista de Biología Tropical</i>	2013-present

Training

Phylogenetic data analysis using R	PR Statistics. Dr Emmanuel Paradis. Glasgow. Scotland	2016
Current Issues in Statistical Ecology	National Institute for Mathematical and Biological Synthesis (NIMBioS), Knoxville, Tennessee, USA	2015
Phylogenetic Comparative Methods	Universidad de los Andes, Colombia. Coordinators: Dr. L. Harmon and Dr. L. Revell	2014
Ecology and Conservation of Neotropical Birds	Graduate Program, Organization for Tropical Studies. Coordinators: Dr. J. Blake and Dr. B. Loiselle. Costa Rica.	2009
Bioacoustics Workshop	Montecristo, El Salvador. Animal Ecology and Biodiversity Department, Xalapa Ecology Institute. Coordinator: MS. F. González-García.	2009
Tropical Ecology and Conservation	Graduate Program, Organization for Tropical Studies. Costa Rica. Coordinators: Dr. A. Farji-Brener and MS. F. Chinchilla.	2008

Fellowships

Postdoctoral Fellowship	University of Costa Rica	2018
Edward W. Rose Postdoctoral Fellowship	Laboratory of Ornithology, Cornell University	2016
Outstanding OSNA Society Membership	Ornithological Societies of North America	2011
Training in analysis and interpretation of animal vocalizations	Institute of Experimental Ecology, Biology Department, University of Ulm. Germany. Advisors: Dr. E. Kalko and Dr. M. Schaptka.	2008
Partners in Flight Bird Monitoring Program-Latin American Fellowship	Field Research Assistant and Environmental Education and Outreach. Klamath Bird Observatory, Oregon, USA.	2007

Conference Participation and Talks

"Patrones y procesos en la evolución cultural del canto de un colibrí", plenary talk at the 2° Colombian Conference of Acoustics and Ecoacoustics, Medellin, Colombia	2024
"Quantifying habitat-induced degradation of animal sounds: the R package baRulho", charla en el Congreso Internacional de Bioacústica (IBAC), Sapporo, Japon	2023
"Social learning and the (cultural) evolution of song in hummingbirds", talk at National Museum of Natural Sciences, CSIC, Madrid, Spain	2019
Presentation at Forum: "Agentes de investigación e innovación", University of Costa Rica	2019
"Song cultural evolution over five decades in a lekking hummingbird". Behavior Conference. Chicago, USA. First prize Founders award for overall outstanding poster.	2019
"Evolutionary dynamics of vocal complexity in a vocal learning clade". Polish Evolution Conference, Gdansk, Poland	2019
"Brain or brawn: spatial memory is more important than weapon or body size in predicting territory ownership in wild lekking hummingbirds". International Bioacoustics Conference, Haridwar, India	2017
"Evolution and diversification of learned vocal signals in Parrots". Bioacoustics research in Latin America special session. Conference of the Acoustic Society of America. Oral presentation.	2015
"Vocal learning and the diversification of Parrot contact calls". Modern Phylogenetic Comparative Methods Conference. Seville, Spain. Oral presentation.	2014
"Bills as daggers? A test for sexually dimorphic weapons in a lekking hummingbird". VI Costa Rican Conference of Ornithology. Costa Rican Ornithologist Union. San José, Costa Rica. Oral presentation.	2014
"Ecological and anatomical conservatism and the evolution of learned contact calls in Neotropical parrots". Association for Tropical Biology and Conservation 50th Conference. San José, Costa Rica. Oral presentation.	2013
"Bills as daggers? A test for sexually dimorphic weapons in a lekking hummingbird". Animal Behaviour Society Conference. Boulder, Colorado, Poster.	2013
"Evidence suggests heterospecific vocal imitation in scaly-breasted hummingbirds". Pirenopolis, Brazil, Oral presentation.	2013
"Open-ended song learning in a hummingbird. International Bioacoustics Congress. Pirenopolis, Brazil, Oral presentation.	2013
Is bird song music? Evaluating harmonic intervals in songs of a Neotropical songbird. III Costa Rican Conference of Ornithology. Costa Rican Ornithologist Union. San José, Costa Rica. Oral presentation.	2012
"Identifying stopover hotspots and their conservation status for Nearctic migratory land birds in Costa Rica". XIV Conference of the Sociedad Mesoamericana para la Biología y la Conservación. San José, Costa Rica. Oral presentation.	2010

Funding and Awards

NLBIF grant for developing and open-access online repository for bat vocalizations, in collaboration with Dr. Gloriana Chaverri and Dr. Williem-Pier Velinga	Netherlands Biodiversity Information Facility (NLBIF) € 11 440	2021
Internal UCR grant for the development of automatic behavioral monitoring devices for small vertebrates	University of Costa Rica. \$14 000	2021
UCREA-UCR grant for Advances Studies, in collaboration with Dr. Veronica García-Castro	University of Costa Rica. \$15 000	2020
First prize Founders award for overall outstanding poster	Animal Behaviour Conference	2019
Outstanding Graduate Assistantship	Graduate School, New Mexico State University. \$2000	2015
Research Grant	British Ornithologist's Union. Co-PI. \$1500	2015
Award for Graduate Excellence in Research	Biology Department, New Mexico State University. \$1000	2015
Interdisciplinary Research Grant	New Mexico State University. Collaborator. PI: Timothy Wright (NMSU). \$29 000	2013
Merit-based Enhancement Award	Graduate School New Mexico State University. \$4000	2013
National Geographic Society Research Grant	PI Timothy Wright, New Mexico State University. Collaborator. \$19,212	2012
Animal Behavior Society Research Grant	Dissertation Research Project. \$1250	2012
Organization for Tropical Studies Research Grant	Doctoral thesis research project. \$3420	2011
Research Grant	Costa Rican Association of Ornithology (AOCR). Licenciante thesis research project. \$500	2009
